Speakers in the Security Council are advised that providing in advance copies of *prepared statements* which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered.

Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly.

Speakers are therefore encouraged, whenever possible, to provide copies of their statements, *as early as possible* in advance of delivery, to the Conference Room Officer in the Chamber.

Delegations are kindly requested to make *40 copies* for minimum distribution to Council members and relevant services, and *200 additional copies* for general distribution in the Security Council Chamber.
